Growing Up

MHello pups ranger here again bringing you another story, this time with silver wolf, and it's a pretty good one all credit for silvex and shadex go to him, he did their linesâ€¦ So hope you pups enjoy chapter one, don't forget to review and see ya next time..

"Silvex, what's for dinner?"

Silvex huffed as his half-demon brother floated into the kitchen.

"For the last time Shadex, tonight you have to fend for yourself. I have to go stargazing for that comet that's approaching."

"You and your fucking astrologyâ€¦" Shadex grumbled as he turned the TV on. Silvex rolled his eyes.

The two half human, half canine demi-gods, were situated on a hill, far away from any civilization. Silvex preferred the peace and quite, and Adventure bay wasn't far away from their little house.

It was fairly well built, with two bedrooms, two bathrooms, A medium sized kitchen with a dining room, a Living room, and a special room where Silvex kept a piano. It was also where Shadex went to practice his guitar, which he called the black and scarlet red instrument, 'Lucifer'.

"I'm going out to huntâ€¦" Shadex mumbled. Silvex still heard him.

"Be safe, okay? If you encounter someone else, be su-"

"Have my disguise on, I knowâ€|"

Shadex moodily sunk into the Shadows, and swiftly Progressed through the forest that surrounded the area for miles around.

In the outskirts of adventure bay, there was a river, a place that people came to get rid of things they no longer wanted.

On this night there was an object that was gotten rid of, it was in a box and was tossed from the car that was driving it.

As the box hit the ground, the thing in the box started to whimper quietlyâ€| And at about the same time shadex was approaching the edge of the river himself

"There is usually some good things around, and it appears no one is aroundâ€|"

Shadex began looking through the amounts of junk on the river bank.

The box whimpered again, and it fell over off the ledge it was on, and it landed and opened up, from inside the box a small pup appeared

" ow, ow that reawwy hurt" said the small pup as he noticed blood comming from his paw and muzzle

Shadex then noticed the smell of blood.

"What's this? Blood?"

Shadex wandered over to where the scent was coming from.

The pup saw the husky approaching and tried to back away but he tripped and fell

"Ow," he said quietly but shadex took noticeâ€|

Shadex morphed into his canine form, a black husky, and walked over.

"Excuse me you, but what are you doing out here in the middle of the night?"

The pup started to cry, out of fear of the husky, and from the fact he was abandoned

"Myâ€| My famiwy got rid of me" said the whimpering pup "they didn't want me any more."

Shadex huffed.

"Fucking no good abandonersâ€|"

Shadex picked up the pup by the scruff of his neck with his teeth, careful not to pierce the skin of the young pup.

"Pwease make it quickâ€¦ I don't want it to hurt" the pup said turning his head " I don't want to feww any more pain pwease mister wowf" (w's are l's

Shadex looked a little funny at the pup by the way he talkedâ€¦

"You got a speech impairment kid?"

The pup nods

"My famiwy got rid of me because of it" said the pup who was now shaking in fear "they said I was broken and that they couwd find a better pup"

Shadex only chuckled.

"THEy're be insane to think you are uglyâ€¦" He said as he carried the pup through the darkest part of the forest.

The pup was confused

"You don't think I'm broken, mister wowf? Where are you taking me"

"For the record kid, I am not a wolf. I am a husky. We look similar, but Wolves have a more ragged appearance. I am taking you to my home."

"Are you going to eat me? I don't wanna get eaten" the pup said whimpering louder

"No, i don't eat Pups."

" why are you taking me to your homeâ€¦" Asked the pup who was relieved now.

"Well, clearly someone as young as you can't be left alone in the wildâ€¦"

"You meanâ€¦ You wanna wet me wive with you? The pup said excitedly Dan as he moved shadex bit down harder on the scruff of his neck

The pup yelps

SHadex put him down.

"Sorry, didn't mean thatâ€¦ Why dont you lay on my back?"

The pup hops on his back

"Your fur is warm," said the pup nuzzling his back

Shadex smiled a little as they arrived at the small house

"This pwace is huge, you wive here?" Asked the awestruck pup " are you sure you are ok with meâ€¦ I don't want you mad wike my old famiwy."

"You're fineâ€¦ Now lets get inside, it is coldâ€¦"

The pup followed him inside the house, and the pup notices a picture of shadex and another huskyâ€|

" excuse me mister husky, who is he?" Asked the pup pointing to silvex's picture " he looks just like you."

And as shadex was going to answer silvex just walked in, and stared at the pup sitting in his hallway...

"Hey there pup," Silvex said. "Shadex, who is this?"

The pup backed up towards shadex, trying to hide from silvex

"Don't fear, this is my brother, and this is my dog form, i have a form similar to what my brother is in," Shadex said to the pup

The pup was unsure and stayed behind shadex as they talked.

"...How'd he get there?..."

"...I don't know why, but we can't return him to themâ€|"

Silvex and Shadex talked quietly to each other

The pup had heard the word return and he whimpered and started to walk to the door

"Wait!" Shadex said, now in his half human half dog form.

"You're not going anywhereâ€| You'll be staying with us for the time being."

"Shadex, I still don't think it would be best if you raised himâ€|"

"Shut up! I can be a good father!"

" you wannaâ€|. Keep meâ€| Even though I'm not normal" asked the pup

Shadex nodded happily.

"There is one thing though,"

" yea" said the pup dropping his ears " what do I have to do"

Shadex knelt down.

"You don't have to do anything, it's justâ€| We're different people. We are very strong, me and my brother. We're alsoâ€| What's the word?â€| Nudists, right."

The pup didn't understand

" uhhhhhâ€|. What's that mean?"

"It means, we're both sexually active, and we're not hiding ourâ€| ourâ€| Ugh, we're not ashamed over anything sexual. Now you may be a bit young to understand, but i can teach you."

" you wanna teach me to be like you?" The pup asked as his eyes lit up brightly with happiness

Shadex smiled.

"Sure, if you want,"

The pup runs up and hugs shadex tightly, silvex huffs behind them.

"Still don't like this SHadex."

Shadex ignores him, Silvex only goes into his room.

The pup can feel Shadex growing warmer, a blush appearing on his face, as the pup is hugging his leg, close to his crotch.

The pup felt him getting warm but didn't ask, silvex sensed something and opened his door slightly watching his brother

Silvex saw his brothers blush and was thinking somethingâ€¦ Something he couldn't imagine his brother doing

'Then againâ€¦ It's not like I don't disapproveâ€¦'

" why are you so warm mister huskyâ€¦?" Asked the pup still hugging him

"Just a bit hot, im fine," SHadex said.

"So welcome to your new home. My name is SHadex, what's yours pup?

" I never had a name, except stupidâ€¦" Said the whimpering pup who noticed something between shadex's legs

"Well that won't doâ€¦ Hmmâ€¦" Shade says, thinking of a name, unaware he is growing harder.

" I'm used to the nameâ€¦ they said I wasn't worth the effort" the pup said still staring between his legs

Shadex glances at the pup.

"What are you looking at?"

" that thing thereâ€¦" He said tapping it with his paw

Shadex shuddered and blushed very badly.

"O-o-ohâ€¦"

" I'm sorry" said the pup backing away" you see why they cawed me stupid now"

"N-no, that felt goodâ€¦ this here," Shadex said grabbing his dick with his hand. "... Is called a penis, or cock or dick. All guys have it,"

The pup hit it again a bit harder

Shadex moaned a little.

"Y-yea, it's sensitive, so, not too hardâ€¦ But otherwiseâ€¦ It's how a male receives pleasureâ€¦"

" what's pweasure?" Asked the pup confused

"It's a very good feeling whenâ€¦ When you have fun. It feels like nothing else, it's a good feeling."

" hmmm a good feewing, I like the sound of that"

"Yea, it is awesome," SHadex said as he slowly stroked his dick.

" you have a nice name shadex" said the pup still staring between his legs

Shadex smiled.

"You like it?" Shadex said, motioning at his cock.

" it's differentâ€¦ It's better than the fun my old family did with me" said the pup shivering

"Go on pup, tell me what happenedâ€¦" Shadex said hugging the pup. "I am here now, to comfort you,"

" they hit me with a stick, they said every time I talked funny I would get hitâ€¦" Said the pup nervously

"Well, that is not how fun works in this house. DO you want me to show you how?"

The pup nodded

Shadex put the pup down next to him, and laid him down as he used a few fingers to rub the pup's crotch.

"By the way, I think I have a good name for you,"

The pup wags his tail excitedly

" reawwy, you do" said the pup moaning quietly

"Yes, how's Ranger sound?" Shadex asked as he kept rubbing

" I love it, I love it and I love you, thank you for saving meâ€¦" Ranger said as he continued moaning

"Good, you're moaning, which means this feels good to you, yea?"

Ranger nods cutely as Silvex walks out and sees them

"Giving him his first lesson eh?"

" what else can I learn shadex?"

"Yes, Silvex. He'll learn it sooner or laterâ€¦"

"Justâ€¦ GO easy on him, okay?" Silvex said as he gets a glass of water.

Shadex sits back, his big 16" cock standing tall.

"Well kid, maybe you'd like to taste this bad boy? All you need to do is lick it like a lollipop,"

Ranger heard taste and he pictured food, which was understandable, he was a young pup and was probably hungry, he put the entire length in his muzzleâ€¦

"Ho-ho-holy~!" Shadex moaned out, not expecting the small pup to be able to suck on the entire dick.

Silvex walked back out and saw the pup

"Kid's a natural Shadexâ€¦" Silvex said.

"He-he's mineâ€¦" Shadex panted as he watched Ranger suck him off.

"Fine, he's all yours," Silvex said, walking outside.

Ranger forgets what he is doing and bites down lightly thinking he's eating

Luckily, Shadex is not easily hurt, or one to feel pain.

"Oooo~! P-pup, my cock is something to suck, and you can bite it, but bewareâ€¦ usually, it would hurt to have a cock bitten."

The pup pulls off and starts coughing

" I'm sorry shadex" said ranger dropping his ears.

"It's alright pupâ€¦ You're new to this, however, if you suck me off long enough, you can get some of my boy juiceâ€¦"

Ranger tries again and keeps sucking

Ranger was thinking it was just like getting milk from his mother

"Yeaâ€¦ It's just like getting milk from mom," Shadex moaned as pre oozed into Ranger's mouth.

Ranger moaned

" mmmmm" was all shadex heard from ranger

"Does it taste good?"

Ranger gives him an approving look

Shadex gets an idea

His balls slowly grow, making more precum ooze out his cock.

Ranger licked it all and moaned

Shadex moaned with Ranger, then bit his lip as he started cumming all over Ranger

Ranger looked at his fur which was now mostly white and started licking it

" mmmmm tasty shadex" said ranger enthusiastically

Shadex smiled.

"Well then, guess you can feed off of me then?"

Ranger tummy rumbles loud enough for silvex to hear.

Shadex giggled.

"Well, guess you'll have to keep sucking if you want more pup,"

" do you have any miwk, not that that doesn't taste great but I'm used to miwk from my mommy" asked the pup nervously

Shadex nodded, and got up and walked into the kitchen, his cock still hard.

Shadex got out some milk, and began pouring it into a bottle

Rangers eyes got big as shadex walked back to him

" your awesome shadex, I reawwy wove you"

Shadex smiled, and picked up Ranger as he began to bottle feed Ranger.

Silvex walked out again and saw this

Ranger was as happy as can be, he felt loved by the way shadex held him

" this is yummy shadex"

"Cute," Silvex commented

"Be quiet you," Shadex said.

Silvex huffed.

"You're still not cut to be a father."

Ranger coughed at those words...

"Zip the lip," Shadex growled at Silvex.

Silvex only walked back outside.

" I think you can be a great father shadex, any pup you raise would be wucky to have you as a daddy"

Shadex smiled.

"I love you my son. I think its time we got some rest,"

Ranger yawned as shadex held him and the pup drifted off to sleep.
